^{*}Students who successfully complete the History & Social Sciences Secondary Teacher Education Program will earn an Illinois Professional Educator License for grades 9-12 in Social Sciences: History.

^{*}Students may earn additional social science high school endorsements by completing at least 18 hours in another social science discipline and passing the cotent test in that discipline.

^{*}All students pursuing licensure are required to meet with the licensure program advisor in the Department of history each semester and are strongly encouraged to select their pathway courses in consultation with that advisor.

^{*}Students pursuing history & social sciences licensure must have a declared major in history or another social science subject.

^{*}All courses required for licensure must be passed with a grade of "C" of higher.

^{*}Of the seven required upper-level (300/400) HIST classes required for the History major, one must be taken in each of the three groups (A,B & C)

^{***}Notes: *This plan is an example of what a schedule of courses for an incoming freshman student could look like. Placement exam scores and previous completion of coursework may change the plan. The plan should not be used in the place of regular academic advising appointments. All requirements are subject to change by NIU.
